The CRAA coaching staff is looking forward to welcoming the new and returning Junior Rookies to the pool. The coaches are anticipating a season of learning new swimming skills, improving swimming technique, and having fun in the water.

Make sure to indicate the events or days that you wish to enter the meet (with the coaches then choosing the events for the swimmer).

This is an open swim meet which means there are not any qualifying times for entering this meet. The CRAA coaching staff encourages swimmers who practice with the Junior I, Junior II, Bronze, Silver, Gold and Senior practice groups to consider participating in this meet. Even if for one day only, this meet provides an excellent opportunity for swimmers to challenge themselves and should be fun for all.
